

INTERNATIONAL SEARCH REPORT

International application No.
PCT/ ES 2004/000450

Box I Observations where certain claims were found unsearchable (Continuation of item 1 of first sheet)

This international search report has not been established in respect of certain claims under Article 17(2)(a) for the following reasons:

1. ☐ Claims Nos.:
because they relate to subject matter not required to be searched by this Authority, namely:

2. ☐ Claims Nos.:
because they relate to parts of the international application that do not comply with the prescribed requirements to such an extent that no meaningful international search can be carried out, specifically:

3. ☐ Claims Nos.:
because they are dependent claims and are not drafted in accordance with the second and third sentences of Rule 6.4(a).

Box II Observations where unity of invention is lacking (Continuation of item 2 of first sheet)

This International Searching Authority found multiple inventions in this international application, as follows:

1.- Cliché para encolado de las solapas y tira de refuerza de un saco de papel con un determinado relieve en su superficie, que se corresponde con la parte asociada a la invención de la primera reivindicación y las reivindicaciones 2, 3 y 4.

2.- Regleta empleada para aplicar cola en el pegado de las hojas que constituyen un saco de papel de hojas múltiples, con unos determinados puntos de encoladura y que se encuentra en la parte correspondiente de la primera reivindicación y en las reivindicaciones 5-10.

1. ☐ As all required additional search fees were timely paid by the applicant, this international search report covers all searchable claims.
2. ☐ As all searchable claims could be searched without effort justifying an additional fee, this Authority did not invite payment of any additional fee.
3. ☐ As only some of the required additional search fees were timely paid by the applicant, this international search report covers only those claims for which fees were paid, specifically claims Nos.:

4. ☒ No required additional search fees were timely paid by the applicant. Consequently, this international search report is restricted to the invention first mentioned in the claims; it is covered by claims Nos.: 1-4

Remark on Protest

- ☐ The additional search fees were accompanied by the applicant's protest.
☐ No protest accompanied the payment of additional search fees.

Box II Observations where unity of invention is lacking (Continuation of item 2 of first sheet)

This International Searching Authority found multiple inventions in this international application, as follows:

1. – Plate for gluing of the overlaps and reinforcement strip of a bag/sack of paper with a distinctive bulge/rim on its surface, that corresponds with the associated part of the invention of the first claim and claims 2,3 and 4.
 2. – Regulator stick used to apply glue in the stick of the leafs/sheets that constitute a bag/sack of paper of multiple leafs, with several determining points for gluing and that is found in the corresponding part of the first claim and in claims 5-10.
1. ☐ As all required additional search fees were timely paid by the applicant, this international search report covers all searchable claims.
